HAWAII

ONE-YEAR EXTENSION OF COOPERATIVE AGREEMENT  
NO. H-89-8 ISSUED TO THE UNITED STATES DEPARTMENT OF  
THE INTERIOR AT KAWAIIHAE, KOHALA, HAWAII

**STATUTE:** Section 171-95, Hawaii Revised Statutes.

**LOCATION:** Kawaihae Harbor, South Kohala, Hawaii, TMK: 3rd/6-1-03:25 (Portion),  
being also a Portion of Governors Executive Order No. 1988, as shown on  
Exhibit "A."

**AREA:** Approximately 22 acres

**RENTAL:** Gratis

**LAND TITLE STATUS:**  
Subsection 5 (a) of the Admission Act, non-ceded

**TERM OF EXTENSION:**  
January 1, 2010 to December 31, 2010

**PURPOSE:** Non-exclusive use of the land to promote educational and interpretive  
programs related to the Pu'ukohola Heiau National Historical Site.

**ITEM M-2**

**REMARKS:** The United States Department of the Interior, National Park Service (NPS) is requesting a five (5) year extension for the period January 1, 2010 to December 31, 2014 for the subject Cooperative Agreement No. H-89-8. The NPS utilizes the property solely to conduct educational workshops in conjunction with the Pu'ukohola Heiau National Historic Site, and will not use the property for any other purpose without the prior written consent of the State.

The Board of Land and Natural Resources (BLNR) approved the original agreement at its meeting of March 23, 1989 under agenda Item J-6, for a term from January 1, 1990 to December 31, 1994.

At its meeting of November 18, 1994 under agenda Item K-6, the BLNR authorized the extension of the subject cooperative agreement from January 1, 1995 to December 31, 1999. At its meeting of December 10, 1999 under agenda Item K-2, the BLNR authorized the extension of the subject cooperative agreement from January 1, 2000 to December 31, 2004. At its meeting of January 28, 2005 under agenda Item M-4, the BLNR authorized the extension of the subject cooperative agreement from January 1, 2005 to December 31, 2009.

Over the years, the term of the agreement was extended in 5-year increments with the understanding that the subject 22-acre area acted primarily as a buffer zone between the Kawaihae Harbor area and the Pu'ukohola Heiau Historic Site. However, the department is currently working on the Hawaii Island Commercial Harbors 2035 Master Plan. In addition, the department is looking at improvements to the South Gate and is working with other agencies on developing the perimeter road that would provide access to the Kawaihae Small Boat Harbor (South.) These improvements will be addressed in the Kawaihae Commercial Harbor Development Plan.

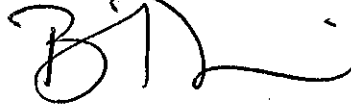

As such, the State is willing to extend the Cooperative Agreement for a period of one year, from January 1, 2010 to December 31, 2010.

Once both the Master Plan and Development Plan have been completed, the State will be better situated to evaluate the future status of the agreement and ensure proper buffering of the Pu'ukohola Heiau Historic Site.

**RECOMMENDATION:**

That the Board consent to a one (1)-year extension of Cooperative Agreement No. H-89-8 issued to the United States Department of the Interior, National Park Service in accordance with the terms and conditions outlined above and such other terms and conditions as may be prescribed by the Director of Transportation.

Respectfully submitted,

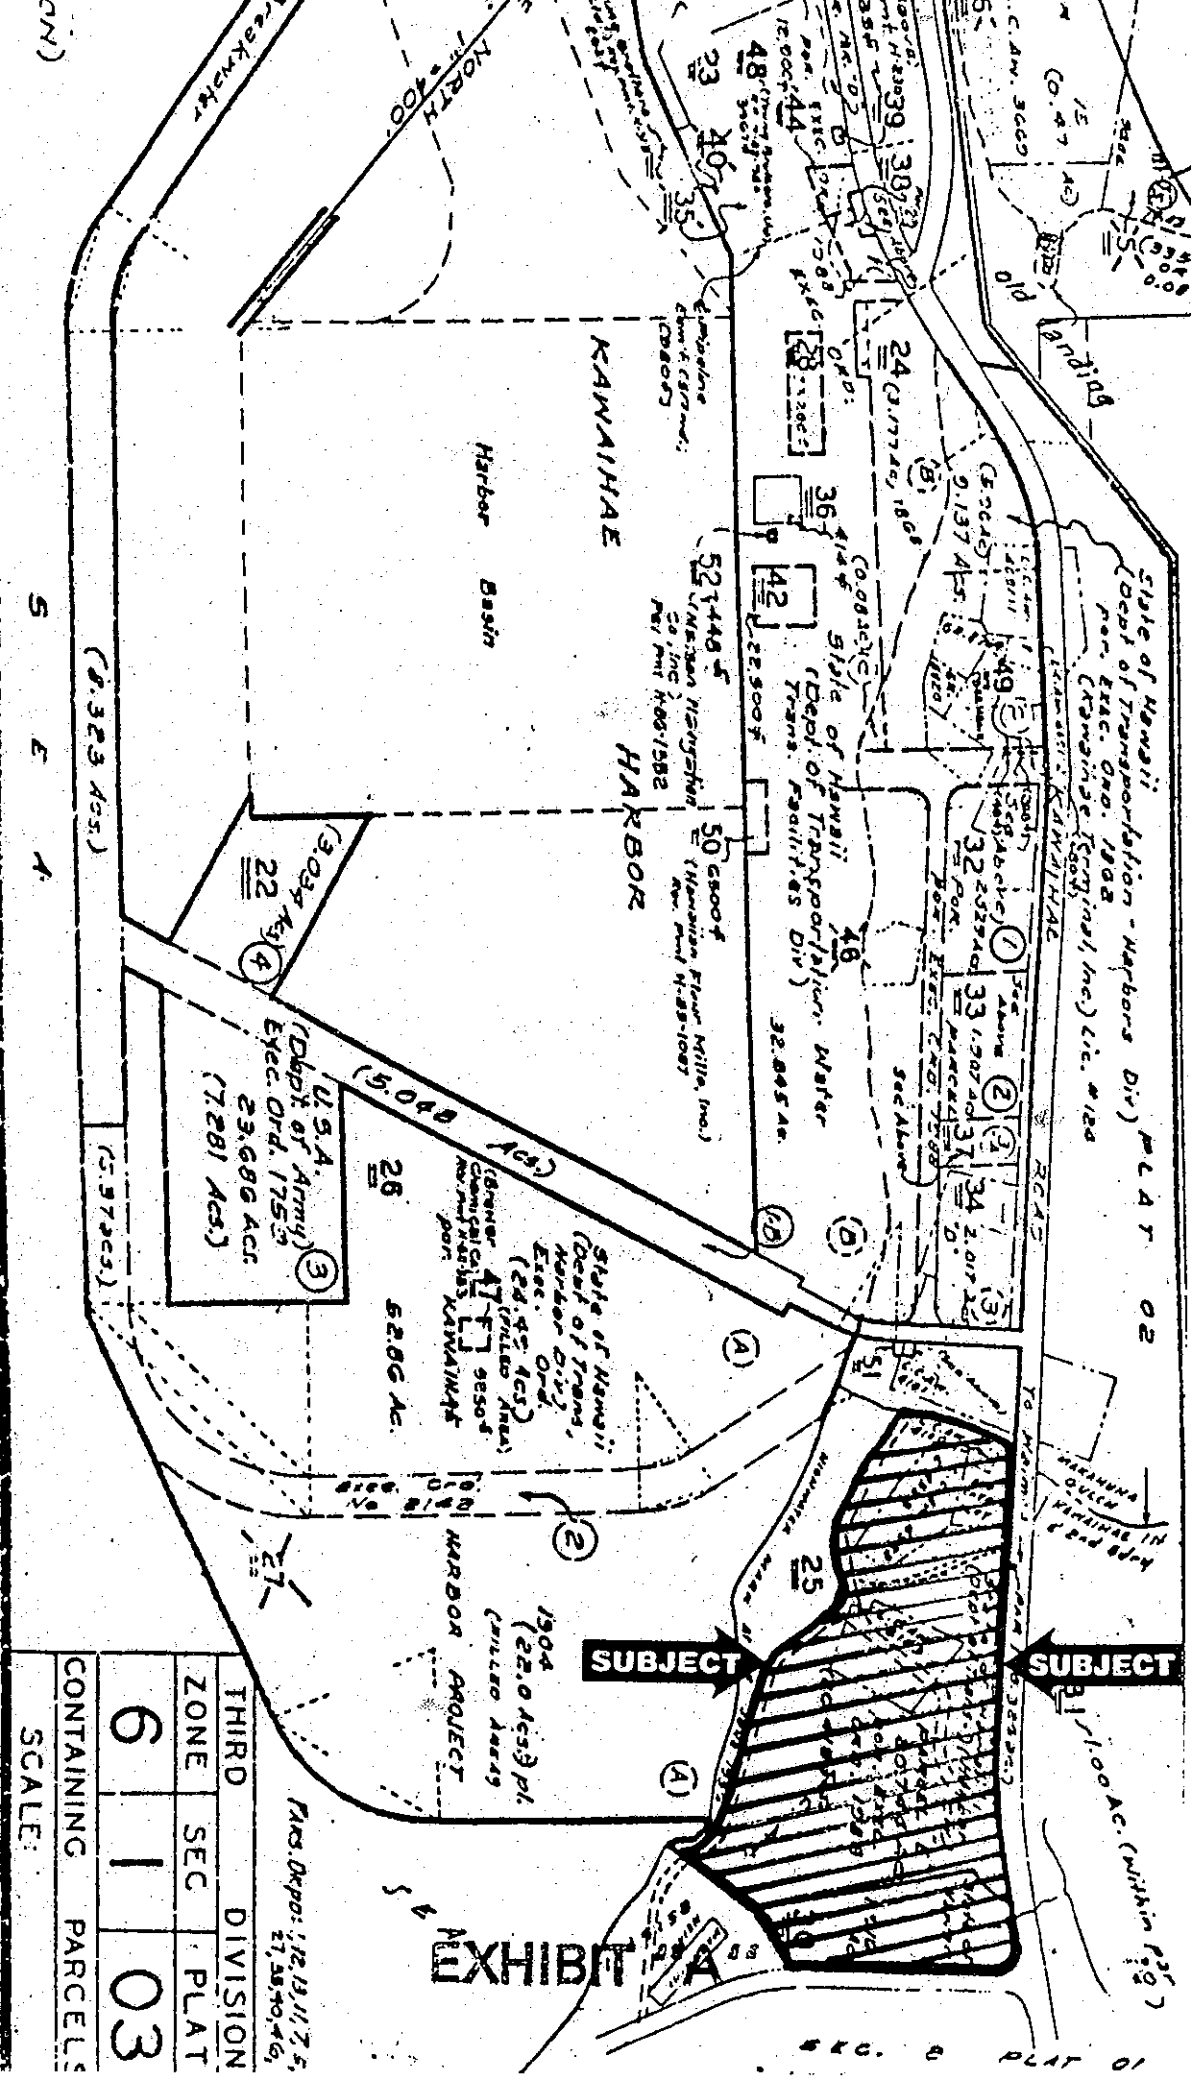

BRENNON T. MORIOKA, Ph.D., P.E.  
Department of Transportation
